MEMORANDUM FOR: Acting Deputy Director for Science
and Technology

SUBJECT: DD/S&T Briefing of DCI on Program Management

REFERENCE: A/DD/S&T Memorandum to D/OEL, Subject
Above, 3 November 1966 (██████████ 340-66) 25X1A

25X1A

1. Attached are the outline and back-up papers requested in your memorandum of 3 November. I have included certain projects such as ██████████ to which the DD/S&T contribution during the past two years has been fairly small but which may require substantial effort by FY 1968 if Soviet activity; e.g., Plesetsk, continues to develop at its present rate.

2. At this point I have made no attempt to provide any visual aid material specifically designed for your presentation. However, much is on hand - color photographs of Site II and its equipment, ██████████ area, etc. - and can be made available at your direction.
